

Mr. Rajsekhar (Raj) Dabburi (Strategy, Fund Raising and Special Projects)

Raj Dabburi is a senior Advisor working with APUIAML for over a year now and is based in Vijayawada. He specialises in fund raising, project finance, capital markets, private equity, infrastructure & government advisory including PPP and strategy engagements.

An investment banker by profession, Raj has extensive functional and management experience of 15+ years across India and international locations working with Citibank, HSBC, KPMG, Karvy and Dun & Bradstreet. Prior to APUIAML, he has been in leadership roles heading corporate finance divisions. He has led and advised on 100+ deals of cumulative deal value of over US\$ 3.5 bn.

A Chartered Accountant by qualification, he has also completed the General Management Program (GMP) from Harvard Business School.

He is also involved in socially relevant projects working with Rotary and Armman.

Raj is currently involved in setting up and raising funds for Andhra Pradesh Urban Development Fund, a Rs 5000 Cr urban development fund focussed on investing in urban infrastructure projects across the state of Andhra Pradesh.

He is leading the Economic Cities initiative by private developers on private land and advising on PPP projects in the State. He is also involved on the new capital city development of Amaravati.
