He is the Fellow of Royal Society, London.He received Andhrapradesh State Best Engineering Principal Award in the year 2010.

Dr Rao is also a fellow of IEEE, Indian Institute of Chemical Engineers. He is Member of Board of studies of many Universities.

Topic: Battery Technology

Contents:

- 1. Introduction about batteries**
- 2. History of batteries**
- 3. Classification of Batteries**
- 4. Description of various Batteries**
- 5. Li-Ion Battery Technology**
