

Sri Abhijith Jayanthi:

Topic : Activities of ABC Cooperative Society

Sri Abhijith Jayanthi has been the Chief Executive Officer of Andhra Pradesh Brahmin Co-operative Credit Society (A Government of Andhra Pradesh Enterprise) since 2016. He has been associated with ABCCS, as it is fondly referred to, since conception. ABC-CS is setup to provide financial services to marginalized Brahmins – accepting deposits and extending credit/loans, thus contributing towards their financial security and economic development.

Also, Sri Abhijith Jayanthi is a first-generation entrepreneur with interests in Renewable Energy and Industrial Infrastructure. Having worked across India, Far & Middle East and African geographies, Abhijith brings his expertise in business diligence, strategy design, devising policy framework, investment advisory and asset management.

He currently serves as a Consultant to World Bank where he handles technology related initiatives particularly focused on renewable energy sources. Among other roles; he served on Audit Committee of Wikimedia Foundation; National Governing Councils for Solar Energy Society of India and Indian Association of Energy Management Professionals.

Abhijith holds a Bachelor degree in Electrical Engineering (Power) from IIT Delhi and a Bachelor degree in Economics and Management from University of London (LSE). He is a certified energy manager (BEE) and has diplomas/certificates in areas of Innovation and Entrepreneurship (Graduate School of Business, Stanford University), Religion (Harvard University), Design and Innovation Policy in Developing Countries (UNU – MERIT), Public Relations & Advertising amongst others. During his free time, he enjoys travelling, exploring new places and has been to 72 Countries.
