

Dr P S N Reddy

Dr P S N Reddy, PhD, is a former Professor of Chemistry from Osmania University with 40 years of experience in teaching the core and applied topics of organic chemistry to postgraduate and PhD students. Dr Reddy pursued his graduate, post-graduate and doctoral studies from Osmania University, and joined the same University as 'Lecturer in Chemistry' in 1977. Subsequently, he proceeded to University of Sunderland, UK, for postdoctoral work, and returned in 1981 to become 'Reader in Chemistry'. He was selected as Professor 1989, and superannuated from service in 2007 as Professor. Prof Reddy was the Head (1998-2000) and Chairman, Board of Studies (2002-04), Department of Chemistry, Osmania University, He received the 'Best Teacher Award' from the Govt of A P in 2005. He has been a Visiting Professor, and a Resource Person to various degree, postgraduate and academic staff colleges.

Prof Reddy's research interests are in 'synthesis of bioactive nitrogen heterocyclics'. He has so far published 91 research papers in national and international journals, and 13 students have received PhD degree under his guidance. Prof Reddy was a reviewer for several scientific journals in chemistry.

Prof Reddy had rich experience in University administration as well. He served as Additional Controller of Examinations, Controller of Examinations, Officer-on-Special Duty, Chairman, Board of Studies and Coordinator for Forensic Science course, Project-in-Charge of CCRIMH unit in Osmania University, Head, Department of Chemistry, Chairman, Board of Studies in Chemistry, Dean (Content Generation) and Registrar (i/c) at Rajiv Gandhi University of Knowledge Technologies (RGUKT), Hyderabad. Prof Reddy has served as a peer-team member of NAAC, been a member of the academic and administrative bodies of several Universities, and University Representative on the Governing bodies of many affiliated and autonomous Colleges.
