

PROFILE OF Dr CHALAMAIAH NADIPINENI

1. Name: Chalamaiah Nadipineni
2. Address: 110- Jalvayu Vihar, Opposite KPHB, Hyderabad, 500085,
3. Contact No: Land Phone:040 23055394
4. Cell: 9866136867
5. E Mail: nchalamaiah@gmail.com,
6. Date of birth: 15th June 1945
7. Language skills: English, Telugu and Hindi
8. Specialization: Water Resources, Lift Irrigation, Finance & Social Engineering, Water and Energy Audit in the management of Lift Irrigation Schemes, Techno-Legal expertise.

9. EDUCATION

	University	Institution	Qualification	Year of Passing
A	Osmania University	PRR Law College, Hyderabad	LLB	2014
B	Jawaharlal Nehru Technological University	JNTUH	Ph. D in Water Resources (Critical Analysis of Lift Irrigation Schemes for Optimal Management of Resources)	2003
C	Indira Gandhi National Open University	IGNOU (Delhi)	MBA (Finance)	1996

D	Andhra University	Govt. college of Engineering Kakinada	B E Civil	1968
---	-------------------	---------------------------------------	-----------	------

EXPERIENCE

A	Dry land Farmer	From 1968-75 (As the agriculture is not remunerative to meet the joint family needs, left farming to join as JE in the formed APSIDC)
B	JE, APSIDC	Investigation, Execution and Maintenance of Lift Irrigation Schemes (1975 – 1979)
C	Dy EE, APSIDC	Investigation, Execution and Maintenance of Lift Irrigation and Ground Water Schemes (1980 – 1988)
D	EE, APSIDC	Investigation, Execution and Maintenance of Lift Irrigation and Ground Water Schemes (1988 – 1993)
E	SE, APSIDC	Managing the Investigation, Execution and Maintenance of Lift Irrigation Schemes (1993 -2002)). The farmers were motivated to establish water user societies under the Lift Irrigation Schemes (LIS) taken up by APSIDC Ltd. and empowered to run the LIS through the societies.
F	CE, AP Well Project	Organizing the farmers into groups, Identification of their land in contiguous patches, Ground water investigation in these lands, Construction of Bore Wells , Conducting pumping tests, Arranging power connection for pumping,. Educating and inducing farmers in raising commercial crops and training them in Elementary book keeping, Empowering the farmers through Kala Jathas Etc.(1995 – 2002). Taken up contract works of drinking water supply from AP Rural

		Water Supply Dpt. of PR and also water shed management works from the AP Govt.(As Chief Engineer APSIDC)
G	Retired in June 2003 on Superannuation	
H	Honorary Consultant to Federation of Farmers Associations (AP)	July 2003 onwards “Empowerment of Farmers” is the key for their development” Organized and empowered Farmers Societies in two Districts of AP namely Guntur and Prakasam through Social Engineering during 2004-2--5
I	Consultant to VIRAT Projects Pvt. Ltd. Hyderabad	July 2003 to June 2007 “Back to Village. One for all and all for one” June 2007 onwards
J	Principal J B Women’s Engineering College Thirupathi	June 2007 to July 2007
K	HOD in Civil Engineering and Principal Bhaskara Engineering College, Yenkepally, Moinabad, RR District	July 2007 to April 2008
I	HOD in Civil Engineering and Principal, Avanthi’s Science Technology & Research Academy, Gunthapally (V) Hyderabad	July 2009 –May 2010

m	Professor and Principal, Rishi MS Institute of Engineering & Technology, Hyderabad-85	Worked as Professor and Principal from 1st July 2010 to 31 st December 2014
---	---	--

Research Work:

The Research work in WATER RESOURCES on “Critical Analysis of Lift Irrigation Schemes” was done under the guidance of Dr GK Viswanath (presently personal Assisatant Vice Chancellor , JNTU Hyderabad) for 4 years i.e. from 1999 to 2003

PAPERS PRESENTED

1. Presented the country paper about the productivity of water at the “Asian Productivity Organization “ in Taiwan, Republic of China on 8th November 1999
2. Presented a paper in the All India work shop conducted at Walamtari, Hyderabad on Lift Irrigations **on Sustainable maintenance of Lift Irrigation Schemes**
3. Presented a paper in the All India work shop conducted at Walamtari, Hyderabad on Lift Irrigations “ **Comparative economics of Flow Irrigation and Lift Irrigation”**
4. Presented a paper in the All India work shop conducted at Walamtari, Hyderabad on Lift Irrigations **on “Cost Analysis of Lift Irrigation Schemes”**
5. Presented a paper in the All India work shop conducted at Walamtari, Hyderabad on Lift Irrigations **on “Farmer Maintained Lift Irrigation Schemes”**
6. **Presented a paper on “Economics of Lift Irrigation Schemes” in the Institute of Engineers on the occasion of Dr. K L Rao Vardhathi in 2008**

- 7. Published a paper in the International of Systemics and informatics (ISSN 0973-4864) on Economics Of Lift Irrigation Projects (LIP)In Andhra Pradesh(JUL10-01)**
- 8. Economics Of Lift Irrigation Projects (LIP) In Andhra Pradesh Taken Up Under “JALAYAGNAM” at the Two day national conference on Water, Environment & Society (NCWES- 2014) on 30th June and 1st July 2014**

OTHER TRAININGS

- 1. Studied water user Associations in Philippines and Thailand**
- 2. Studied Agricultural Producers Organizations in Netherlands and attended the following courses in Netherlands**
 - i) Introductory course for Chief Technical Advisors (CTAs)and users of Peasant World Wide (PWW)**
 - ii) 2nd Course of CTAs of PWW**
 - iii) CTA Course 3: Working together to Strengthen Producer’s Organizations**
 - iv) Completed ISO 9000 Lead Auditors Training in July 2000**
 - v) Completed training Course on “Water Harvesting and Artificial Recharge – their application in Drinking water supply programs in July 2001**
 - vi) Undergone training in GIS using GPS and Total Station**

OTHER EXPERIENCES

- 1. Planning of Geographical Information systems.**
- 2. Planning for Conjunctive Utilization of Water.**

3. **Planning for Integrated and sustainable development of villages, optimizing the usage of local available Natural Resources and Human Resources.**
4. **Organized training to farmers for their empowerment on behalf of the Federation of Farmers Andhra Pradesh in Prakasam and Guntur Districts of Andhra Pradesh.**
5. **Presently taken up Natural Farming**

Prof. N Chalamaiah
