

Sri K Ratna Kishore :

Topic : DBT Project in NREGS

Sri K Ratna Kishore is presently working as Programme Manager-DBT, Department of Rural Development Department, Government of Andhra Pradesh.

He has done his Post Graduation in MBA from Andhra University Campus, Visakhapatnam.

He Joined the present department in 2010. Implemented the Smartcard Biometric project (EBT) in disbursement of both Social security pensions and MGNREGS wages. Later it was replaced with DBT Aadhaar Enabled Payment system (AEPS) in which wage payments will be disbursed using Aadhaar authentication through department of Posts. At present as per the GoI instructions the payments were crediting into the individual wage seekers PMJDY account through Aadhaar Payment Bridge System(APBS).

He has played key role in Successful implementation of e-FMS system (Electronic fund management system), Development of AEPS and APBS platforms, Introducing and Implementing the IRIS authentication, Real Time MIS report-Monitoring the disbursement of MGNREGS wages.
