

Dr. BV Pattabhiram

Dr. BV Pattabhiram is a Post Graduate in Psychology, Philosophy, a PG Diploma holder in Guidance and Counselling, and Ph.D. from Osmania University (Yoga & Hypnotism - A Pragmatic Approach). He has been conducting workshops on Soft Skills / HRD; and motivating Students, Teachers, Professionals, Entrepreneurs, and Leaders on various topics across India, USA, Australia, Malaysia, Thailand, Singapore and Arab Countries and helping people to overcome their Stress & Fears, and achieve the desired success.

His approach to personal growth and personality development has been proven successful over 30 years of treating, motivating and counseling people. His Audiotapes on relaxation, memory, self-confidence, inferiority complex, fears, assertiveness and other psychosomatic disorders helped innumerable clients.

While his field of education has been in Psychology, his passion towards the art of Magic made him one of the most celebrated Magicians of the country. He traveled to every nook and corner of the Telugu speaking states, many cities in India, and extensively across the USA, Australia, South-East Asian Countries, and Middle East. At each location he left the audience spell-bound with his Magic. He also effectively leveraged Magic to convey messages to the audience. He started the first ever Magic school in India (recognized in the Limca Book of Records), and gave rise to a generation of Magicians - many of whom are celebrities in their own accord.

He received numerous awards, accolades and recognitions from Government and Private entities from across India and abroad. The University of Florida gave him Honorary Doctorate for his tremendous work on Hypnosis in the year 1983. The Mayors of Nashville and New Orleans, USA gave him honorary citizenship.
