## RESEARCH PROFILE

### a) A Brief description of Research Topic

- Ph. D. Topic: *"An Evaluation of 'TRYSEM' in the Eradication of Rural Unemployment in Karnataka: A Case Study of Belgaum District"*, Web: <http://hdl.handle.net/10603/96618>
- Supervision: **Dr. N. G. Chachadi**, Rtd. Principal, Karnatak Arts College, Dharwad
- Award : 23<sup>rd</sup> June, 2006.

**Summary:** To generate skills among rural youths and to provide self-employment and wage employment to the rural youths the government has implemented a special scheme called 'TRYSEM'. The overall objective of the study was to assess the progress and performance of TRYSEM programme in Belgaum District. The major findings of the study are the proportion of beneficiaries crossing the poverty line is negligible among the lowest income groups. TRYSEM has enabled beneficiaries to improve their incomes but very much below poverty line. The study concludes that, the TRYSEM programme is not successful in attacking poverty and unemployment in rural area.

**b) Fellowship:** Recipient of Karnatak University Studentship.
