

Anupam Mittal

Architect/ Golfer/ Writer

Architect Anupam Mittal graduated from Government College of Architecture, Lucknow in 1994 and within a year of passing out, started his design firm, in the name of Architects Plus. He is now the Principal Architect of ARINEM Consultancy Services along with his wife Architect and Urban Planner Shubhra Mittal.

With a professional experience of more than 23 years in the field, he has been a design lead consultant for more than 500 projects and has undertaken 3 lakhs dwelling units in residential segment within the country and abroad, which has earned him several awards and acclaims.

He is an active member for various forums like IIA, IIID, GCAAA etc. and a regular to special interaction sessions and juries for various architecture institutes. He has been sharing his views and concerns on several national platforms especially regarding Urbanization, Green Building and Monolithic Concrete Construction technology, His interviews and articles are regularly published in country's leading TV, FM Radio and print media like Times of India, India Today, Uday, Green Constructions, Sahara TV, Doordarshan, ETV etc. He is also a Co-chair of Indian Green Building Council, U.P. State Chapter, contributing his views & efforts to make the country one of the global leaders in Sustainable Built Environment.

Since academic days, he has special interest in concrete as a building material and he also assisted on a book of Box Culvert Design. His new and innovative outlook towards RCC structures earned him acclaim from various state governments, especially for urban poor housing/ affordable housing for their simplified grid system, creative and practical approach towards structure of the building. He also coined the name RMDC (Rapid Monolithic Disaster proof Construction) for monolithic concrete construction, a technology he has passionately followed, researched and used in most of his work.

The Indian Concrete Institute, Western UP chapter, recognized this innovative approach in concrete design recently by awarding his project Multi-level parking in Ghaziabad, Four Storied Sapna Enclave at Ghaziabad & Multistoried Residential Building at Siddharth Vihar, Ghaziabad with **Outstanding Concrete Structure**.

He has also been awarded by **HUDCO (Housing & Urban Development Corporation)** under Government of India for **commendation of work done** for sustainable & green building in one of his projects, his own house in Lucknow.

He has a deep interest in writing also & enjoys writing & speaking on social issues. He has been writing on various social topics in his free time. Now, he has been making short films on social issues under the banner of his Brain Child "Shots Creation". Many of his Short Films like "Kab Tak, Sellphone, Hum Kahan Ja Rahe Hain, Jindagi aur Musafir etc are available on YouTube & are being well appreciated by everyone.

He is a keen follower of sports and has played football at State Level and now plays regular Golf. He has participated in various National & International Golf Tournaments & as a sportsman, playing Golf is his passion. He has recently won a Golf Tournament organized by LLOYD BUSINESS TODAY PRO-AM OF CHAMPIONS at Lucknow in the Handicap Category 14 and has competed at the International Leg of the Tournament in Thailand in the month of May 2017.

He travels between his two offices in Delhi and Lucknow managing projects spread through Delhi NCR, MP, Punjab, Haryana, Assam, Rajasthan, UP and an international project in Maldives too.
