

Based on your examination, comment on ::

- 1. What are Sharma's objectives ? What are Maya's objectives ? What's the difference ?**
 - 2. Who would you call a Contributor with Critical Thinking ? Why ?**
 - 3. Why are such Teachers valued by their students ?**
- Who is a Teacher at work ? Why ?**

SHARMA, a teacher, does all the duties expected of him by the college –

- Takes classes regularly
- Teaches topics to cover the syllabus
- Gives assignments, tutorials, projects to evaluate students
- Mentors students who are assigned to him, etc.

MAYA, also a teacher, not only does all these regular duties, but also takes special steps to help the development of her students –

- Takes out time to help students who find certain topics difficult
- Challenges them to develop their thinking
- Inspires them to think big
