AADHAAR ENABLED PAYMENT SYSTEM IN MGNREGS DISBURSEMENTS
A.P. Model of DBT

AePS Pilots launched for MNREGA Wage Payments and Pensions

- In January, 2013 with ICICI Bank in East Godavari (Polavaram Mandal) & with Axis Bank in Anantapur (Dharmavaram Mandal)

- In March, 2013 with India Post in Chittoor District
A.P. Model of DBT

- GPs with good connectivity are served online and wages are paid through Aadhaar Authentication (AEPS).
- GPs with low connectivity (640gps) are identified and wages are paid with Local Biometric authentication in offline mode.
- PoTD (Point of transaction devices) machines are enabled with GPRS connectivity.
- AP Online provides Hardware and Software support to DoP.
